Dear Friends and Fellow Racers!

This last year Brevard County children lost the use of their Quarter Midget race track located in Sharpes, Florida. 50 children and their families were left with no place to race! However, many of these families have not given up their dream of racing quarter midgets again in Brevard County. We are committed to continuing this tradition for our children and future generations of children to come!

In the last year, Brevard County's Space Coast QMA was created, a Board of Directors was chosen and we have moved forward by:

- Seeking out charter membership
- Corporation status created, Non profit entity has been applied for
- Signed a lease on land to build a track
- Designed a track
- Sought out bids for building a track
- Signed families into membership

Currently, we are in the process of raising funds to build a new track located at Space Coast Communities Sports Complex estimated and planned at \$100,000.00. Final designs are complete (see attached) and Brevard County will be approving track designs and plans in the next 30 days!! **Our Goal** is to begin construction in the **summer of 2010**, Begin testing in **fall of 2010** and have a Season Opener in **February of 2011**.

Today, **you can make an immediate difference** in lives of racing youths' by contributing construction dollars! **Each dollar** you send will go **directly towards the cost of construction** of the new race track and facility. Additionally, consider that **Space Coast QMA** is a nonprofit, tax exempt organization and all contributions are fully tax deductible!

For those of you who are not familiar with our organization, **The Quarter Midget Racing Association of America** (QMA) has promoted safe racing for children between the ages of 5 and 17 across America since 1934. Since 1957 **QMA** has had a home in the Central Florida Region. Through our program we have seen many young racers' lives and families changed for the better.

We are asking you to help us out this year by giving a tax-deductible donation to **Space Coast QMA**. Please consider the contribution levels on the next page. We hope we can count on you for a generous donation of \$100 or more. However, please note that any donation amount is always welcomed. You can donate online ([www.spacecoastqma.com](http://www.spacecoastqma.com)) or in the form of a check, please make it payable to **Space Coast QMA**

If you require additional information about **Space Coast QMA**., please contact us and we will be happy to answer any questions you may have. You may also visit [www.spacecoastqma.com](http://www.spacecoastqma.com) online or contact us directly by phone at 321-795-5984
